

WISE CHOICE MASS, DIMENSION POLICY

Wise Choice Freight Solutions Pty Ltd committed to ensuring the promotion and continuation of safe driving for all its employees and contractors. Mass and Dimension limits are finite and documented and need to be adhered to.

In order to provide a safer workplace for all employees, visitors and customers, and contractors, Management is dedicated to the implementation and enforcement of the NHVR standards set for mass limits and dimension limits and dedicated to provide weigh equipment to ensure compliance.

As part of the Mass and Dimension policy, Wise Choice will apply a number of initiatives to ensure compliance. These include:

- Training drivers on Mass and Dimension limits
- Provision of weighbridge locations and on site weigh facilities
- Management of all dimensions of freight prior to loading
- Provision of load tables
- Reviews and truck audits to ensure maximum load allocation is not exceeded
- Management of customer expectations
- Regular audits of driver trips and compliance to national standards

What employees are expected to do:

While in control of vehicles any employee or contractor will:

- Ensure compliance with mass and dimension limits
- Ensure they communicate to supervisors any fear of breach
