

## WISE CHOICE SPEED MANAGEMENT POLICY

---

Wise Choice Freight Solutions Pty Ltd committed to ensuring the promotion and continuation of a safe driving for all its employees and contractors. Speed and deadlines can potentially affect all employees and contractors.

In order to provide a safer workplace for all employees, visitors and customers, and contractors Management is dedicated to the implementation and enforcement of the Speed Management Policy and a Speed Management system.

As part of the Speed Management Policy, Wise Choice will apply a number of initiatives to combat fatigue. These include:

- Fixed transit times which meet driving standards Nationally
- Adequate supervision of a drivers work expectation
- Ongoing internal and external training on speed management
- Constant communication and promotion of safe working practices and information on the risks associated with speed
- Driver working hours, breaks and rest times shall be as per the requirements of current NSW Road Safety Legislation and National requirements
- Appropriate reporting and recording requirements
- Management of customers expectations to delivery profiles
- Ensure equipment has GPS recording devices to monitor speed non conformances
- Regular audits of drivers trip records and compliance to National Standards
